## Allegro Tower
## Standard Fire Order

If you discover **smoke** or **fire**

| Remove any one from danger |
|---|

↓

| Confine smoke/fire if possible by closing doors |
|---|

↓

| **Raise the alarm, dial 000** |
|---|

↓

| Evacuate apartment via the nearest safe **exit** stairwell to the assembly area (Circular Park) |
|---|

↓

| Only attempt to extinguish a fire IF it is safe to do so, and then only with the correct extinguisher if available |
|---|

## Instructions to follow when fire alarm operates

If alert sounds the **Beep Beep** tone -

| All residents will stand by for instructions from the fire panel |
|---|

If you hear the evacuation **Whoop Whoop** tone -

| Evacuate apartment via the nearest safe **exit** fire stairwell to the assembly area (Circular Park) |
|---|

## DO NOT USE LIFT

When building is in alert or being evacuated DO NOT allow persons to enter building

Allegro's stairwells are pressurised in fire mode. Ensure the fire doors close behind you as the pressurisation will not work if doors are left open.
